

# HIP VIP® Premier Medicare Plan

## A health plan that treats you like a VIP.

Your retirees have worked hard for you. Now's the time to provide them with coverage for those years beyond employment. That's why we've developed HIP VIP® Premier Medicare Plan, a flexible group health care product for Medicare beneficiaries.

HIP VIP Premier Medicare Plan members receive all the benefits of Original Medicare and more, with no deductibles and virtually no paperwork. Members only need to continue paying their monthly Medicare Part B premium and live within the HIP VIP Premier Medicare Plan service area (New York City, Long Island and Westchester)<sup>1</sup>. Members select a primary care physician (PCP) who coordinates all their care, including specialist visits, hospital admissions and more.

### **With HIP VIP Premier Medicare Plan, members receive:**

- All the benefits of Original Medicare.
- Access to thousands of participating doctors and specialists.
- \$0 or low copays for physician office visits.
- \$0 or low plan premium.
- Prescription drug coverage from HIP's large national retail pharmacy network, including brand name drug coverage in New York City.
- Coverage for eyeglasses from a select group of frames, eye exams and an allowance for hearing aids every 36 months.
- Preventive dental services.

You can also customize a plan to fit the individual needs of your organization by choosing from a wide range of copayments and riders.
