

How Much Would You Save?

HIP BENEFIT PLANS FOR NEW YORK STATE EMPLOYEES

A State employee wanted to save money on health care without sacrificing quality. He saw he would spend as little as \$5 on most copays with HIP. Then he looked at how much more he would spend with other plans.

The choice was easy.

HOW DOES YOUR PLAN COMPARE?

| Type of Service | HIP | Your Current Health Plan |
|---------------------------------------|-----|--------------------------|
| Physician office visit copay | \$5 | \$ _____ |
| Specialist office visit copay | \$5 | \$ _____ |
| Hospital admission copay | \$0 | \$ _____ |
| Generic/Brand prescription drug copay | \$5 | \$ _____ |

With low copay plans from HIP, the savings add up. Plus, you'll have access to nearly 29,000 providers at more than 61,000 locations, including convenient physician group practices, throughout the New York metropolitan area. All care is provided by network doctors and coordinated by your HIP primary care physician.
